

# CALLING RIDERS OF ALL AGES & ABILITIES

**May 19 - 5:45 PM Oaks Mall-East Lot**

**In front of Pedals and Pints Brewing Co  
(RIDE @ 6:00PM)**

---

Join fellow riders on Wednesday, May 19, 2021 in solemn remembrance of the serious injuries and deaths caused by motor vehicles each year on our roads. We ride in silence for approximately 10 miles, escorted by the Thousand Oaks Police, on our most highly-trafficked roads. The route is mostly flat. All who ride bikes are encouraged to join us. The goal is to educate drivers to be aware of, and exercise caution around, people on bicycles.

Please visit the Eventbrite page (<https://rideofsilenceto.eventbrite.com>) to register and learn more about how this ride will be organized to comply with safe social distancing practices. Or scan this QR code to be taken to the signup page automatically.

We thank the Oaks Mall, Pedals & Pints and the Conejo Valley Cyclists club for supporting the Ride of Silence. To learn more about the International Ride of Silence, please visit [Rideofsilence.org](http://Rideofsilence.org).
