

SILENCE

ATTENTION ALL CYCLISTS

Wednesday, May 21st, 5:30p.m.

(Ride begins @ 6:30 P.M.)

The Lakes of Thousand Oaks

2200 E. Thousand Oaks Blvd., Thousand Oaks

The **Ride of Silence** is a free ride to honor fellow bicyclists who have been injured or killed by motorists. It allows us the opportunity to help raise awareness of bicyclist's rights to the road, and to let motorists, the public, and bicyclists know they must **SHARE the ROAD**.

SAME ROADS - SAME RULES - SAME RIGHTS

The Ride of Silence is a free ride to help raise awareness. Join hundreds of fellow bicyclists in solemn remembrance of those who have been killed or injured by motorists with a short 10 mile ride escorted by the Thousand Oaks Police on roads we all must share. By riding you are standing tall with your fellow cyclists throughout the state, the country, and the world. By riding, you will help educate drivers to be more vigilant when approaching cyclists on all our roads.

Special thanks to "The Lakes" for the use of their facilities.

Hosted by the City of Thousand Oaks with participation from Conejo Valley Cyclist
