

# CVC RIDE PREVIEW

May 17-May 22

## A couple of events to put in your calendar:

**-Ride of Silence** - May 21, 2014 at 5:30 PM at The Lakes on Thousand Oaks Bl.

The Ride of Silence is a ride to honor fellow bicyclists who have been injured or killed by motorists. It allows us the opportunity to help raise awareness of bicyclist's rights to the road, and to let motorists, the public, and bicyclists know they must SHARE the ROAD.

\*\* -This is considered a "no drop" ride. The ride leader will keep an eye on everyone. No one is left behind.

All rides not asterisked are considered a "drop ride" so please understand the route before you start (and how to get back). If you get to a regrouping spot and no one is there, consider yourself dropped. As always we will try to stick together & have a fun safe ride. We will regroup regularly to allow everyone a chance to ride together.

If for any reason you leave a group ride, please pass along the information to the ride leader.

It is mandatory to have & wear a helmet. It is the rider's responsibility to ensure that the helmet is in good condition (check expiration on helmet inner tag) and that your bike is in working condition as well.

That's all for now, folks. Have a great week!
