

WEEKLY PREVIEW

April 5-April 11

Hi all!

Sunny weather ahead so saddle up and let's ride.

Attention Sunday cyclists: A Gran Fondo is in town and will be doing the Rock Store loop four times ala the Tour of California's last stage, so plan your rides accordingly.

Before we get to the routes, here's some.....

CLUB NEWS

Away Ride Next Saturday, April 12

The Mt. Baldy route is for Red and Orange. For those choosing not to do this ride, the local away ride will start in Camarillo with routes for all levels. There will be no rides starting from Westlake.

CVC Kit Day

This Saturday is the day to fly your club colors. If you need some CVC gear, get in touch with Adam Winer.

Cruisin is Coming!

Spend a few hours as a volunteer for the premier event of the west coast. Hundreds of cyclists ride this event, and it's up to us to be the great hosts of this huge undertaking. This is the only time that the club is asking for your help. It's also part of what we do as part of the cycling family, helping other cyclists with their endeavors. You'll be surprised at how much fun it can be "paying it forward".

SAFE CYCLING TIP OF THE WEEK:

We all like to chat with our buddies while we ride, but always keep an eye out for debris in the road ahead and point it out for those behind you.

TEAM NEWS

Fantastic weekend of racing for the team! Congratulations to Jeff Garcia for his 6th place finish at the Chuck Pontius road race (super hard race with lots of climbing). That's Jeff's second top ten in a row! John Middleton also bringing in a top ten with an 8th place at the Chuck Pontius criterium Cat3 race! The Endurance Team crew were out at the Solvang Double Century where teammate Gary Feldstien completed his third event for his California Triple Crown jersey. He knocked that out early this year! Great job everyone!

That's all for now, folks. Have a great week!

Inclement weather policy: In the interest of safety, whenever it is either actively raining or the ride route has wet roads, it is our club policy to cancel a club ride. Club members may still choose to meet and ride in these conditions; however, the ride will not be considered an official club ride.

Please remember to park in the area along Westlake Blvd. (between the street and the first driveway aisle) and not in the area in front of the Shops/Market. If we don't respect the requests of the lease tenants, we could be asked to park elsewhere.
