Thousand Oaks, CA 91360

Dear Out-Spokin,

Hunger doesn't Discriminate in the Conejo Valley. From modest neighborhoods to comfortable communities, hunger in the Conejo Valley may not be readily seen, but struggling families are around us every day—in our shops and stores, in our restaurants, banks and large companies. They are kids in our schools and retired seniors who have lived here for decades.

Your generous donation helps Manna provide healthy, wholesome foods in quantities that have a real impact on a family's life. Kids go to school with full tummies ready to learn, college students can eat 3-meals a day while getting their degree, parents don't have to skimp on their own nutrition and seniors can have the foods they need to stay healthy and engaged in life. Your generosity is instrumental in helping Manna provide food to struggling families.

For every \$1 you give we can provide 8 meals worth of food to hungry people in our community.

Hunger in the Conejo Valley is real,

Over 15,000 Conejo Valley households struggle with hunger.

- 1 in 6 Children go to bed hungry.
- 1 in 4 college students can't afford 3-meals a day.
- Parents sacrifice their own nutrition so their children will have more to eat.
- 20% of seniors must choose between food and needed medications.

With your donation, we were able to expand our capacity to provide food and nutrition, relief and caring support to those who struggle with hunger in our community. Thank you again for your generosity!!

Sincerely,

Executive Director
