

CYCLISTS OF ALL AGES AND ABILITIES!

Join hundreds of your fellow riders May 17th, in solemn remembrance of the tragic deaths of over 600 cyclists killed on our roads by motor vehicles each year.

A short, solemn, easy 10-mile ride escorted by the Thousand Oaks Police. Stand tall with your fellow cyclists throughout the world. Help educate drivers to be more vigilant when approaching cyclists on our public roads. We want to thank The Lakes of Thousand Oaks for supporting the Ride of Silence thru the use of their facilities. Presented by the Conejo Valley Cyclists.
