RIDE PREVIEW

April 12

Hi all!

We have two, count 'em, two away rides this Saturday! The Mt. Baldy ride starting in Glendora, and a variety of rides starting in Camarillo. Note that no CVC rides will be leaving from Westlake Village.

Before we get to the routes, here's some.....

CLUB NEWS

Cruisin' is Coming!

Spend a few hours as a volunteer for the premier event of the west coast. Hundreds of cyclists ride this event, and it's up to us to be the great hosts of this huge undertaking. This is the only time that the club is asking for your help. It's also part of what we do as part of the cycling family, helping other cyclists with their endeavors. You'll be surprised at how much fun it can be "paying it forward".

Go to: VolunteerSpot: <http://vols.pt/gDuoVi> and sign up.

SAFE CYCLING TIP OF THE WEEK:

With the recent accidents over the past several months and the incredible near miss this past weekend, the importance of cyclist identification cannot be stressed enough. Make sure that you have your name, contact info, and any pertinent medical info with you; wrist, necklace, anklet, or easily retrieved from a pocket or bike bag, whether riding solo or with a group. Road ID is one of the most commonly used, but there are many products and apps to ID yourself, alert others to your ride and route, and give first responders the information they need.

TEAM NEWS

This weekend we will have the team scattered across SoCal representing the club! The Road Race team will be at the L.A. Circuit race (near LAX) for a "bar-bangin' battle" of speed and power! The Endurance team will be out in Hemet racing the Hemet Double Century and Endurance Team Captain (Dale Capewell) is ramping up his training in anticipation of his Race Across America solo debut! This event stretches from Oceanside CA to Annapolis MD (3,000 miles). If you would like to donate and help offset some of his expense, you can do so on his website http://www.dalecapewell.com/RAAM_2014.html

THE RIDES

You may have to copy/paste the route links!

SATURDAY/CAMARILLO: 9am from from parking lot on Westpark Court at Pleasant Valley Fields

That's all for now, folks. Have a great week!

Cameron "Cam" Young
CVC Ride Director
805-217-6659

Inclement weather policy: In the interest of safety, whenever it is either actively raining or the ride route has wet roads, it is our club policy to cancel a club ride. Club members may still choose to meet and ride in these conditions; however, the ride will not be considered an official club ride.

Please remember to park in the area along Westlake Blvd. (between the street and the first driveway aisle) and not in the area in front of the Shops/Market. If we don't respect the requests of the lease tenants, we could be asked to park elsewhere.
